

St Matthew Academy

ADMISSIONS 2019/20

Policy

Our motto is 'Let your light shine'. It is taken from St Matthew's Gospel and captures our belief in the uniqueness of each individual. Our aim is to ensure that the talents and strengths of each pupil are encouraged, developed and celebrated

Successful, confident learners

High expectations, outstanding achievements

Inclusive, caring, Catholic community

Nurturing talent, cultivating ambition

Excellence for all

Date of Approval	Autumn 2017
Review Date	Autumn 2018

THE ADMISSION OF PUPILS TO THE ST MATTHEW ACADEMY SEPTEMBER 2019/20

1. Admission Arrangements

The admission arrangements for St Matthew Academy for the year 2019/20 and, subject to any changes approved by the Secretary of State, for subsequent years are:

a) St Matthew Academy has an agreed admission number of 60 pupils for Year R (Reception) and 120 pupils in Year 7. St Matthew Academy will accordingly admit up to 60 pupils to Year R and pupils in Year 6 will have the automatic right to transfer to Year 7. The Academy will then admit additional pupils up to a maximum of the 180 places available in Year 7 overall.

b) St Matthew Academy may set a higher admission number as its Published Admission Number for any specific year. Before setting an admission number higher than its agreed admission number, St Matthew Academy will consult in accordance with the requirements of the School Admissions Code of Practice. Pupils will not be admitted above the Published Admission Number unless exceptional circumstances apply and such circumstances will be reported to the Secretary of State.

2 Process of application

Reception places (Year R) at the Academy are co-ordinated through Lewisham LA and parents must complete the Common Application Form (CAF) issued by the London Borough of Lewisham. Applications for Year 7 are co-ordinated through the applicant's home local authority and parents must complete the CAF issued by their home borough. All Parents will be required to complete a supplementary information form to provide information not captured on the LA's application form that relates to the religious criteria for admission. The supplementary form must be returned to the Academy by the closing date for admissions. St Matthew Academy will use the following timetable for applications each year (exact dates within the months may vary from year to year) which will be consistent with the common timetable agreed by the Lewisham LA.

3 Secondary Places in Year 7

a) July - St Matthew Academy will publish in its prospectus information about the arrangements for admission, including oversubscription criteria, for September in the following year. This will include details of open evenings and other opportunities for prospective pupils and their parents to visit the academy. The St Matthew Academy will also provide information to the LA for inclusion in the composite prospectus, as required.

b) September/October - St Matthew Academy will provide opportunities for parents to visit the Academy.

c) The CAF has to be returned to the child's home LA. The forms have to be returned, or an online application made, by a national closing date 31 October.

d) Lewisham LA sends applications to the Academy.

e) January - The Academy advises the Lewisham LA of the ranked order of places to be offered.

f) February – Lewisham LA applies its agreed scheme for its own schools, informing other LEAs of offers to be made to their residents.

g) March - offers of secondary places are sent out in writing to parents by the **home** LEA.

4 Reception Places for September 2019

a) Children who will be 5 years old between 1st of September 2019 and 31st August 2020 will be admitted together in September.

b) In the event of oversubscription, admission to the Reception class will be decided on the basis of the criteria set out below. The CAF has to be returned to the child's home LA. The forms have to be returned, or an online application made, by a national closing date. Offers will be sent to parents, on or around the 16 April.

c) **Admission of children below compulsory school age** - The governors will provide for the admission of all children in the September following their fourth birthday. Parents can request that the date their child is admitted to the school is deferred until later in the school year or until the child reaches compulsory school age in that school year; parents may also request that their child attends part-time until the child reaches compulsory school age.

5 Consideration of applications

St Matthew Academy will consider all applications for places. Where fewer applications than the agreed admission number are received, St Matthew Academy will offer places to all those who have applied.

6 Procedures where St Matthew Academy is oversubscribed

Where the number of applications for admission is greater than the published admissions number, applications will be considered against the criteria set out below. After the admission of pupils with statements of Special Educational Needs where St Matthew Academy is named on the statement, places will be allocated in the order in which they are set out below:

(a) Criteria for Year R (Reception)

- i) Catholic looked after children* and children looked after by Catholic families;
- ii) Baptised Catholic children;
- iii) Other looked after children*;
- iv) Baptised Eastern Orthodox children;
- v) Children of other Christian denominations whose applications are supported by a Minister of Religion;
- vi) Children of other faiths whose applications are supported by a Religious Leader of a designated place of worship;

vii) Other applicants.

**'A looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is a) in the care of a local authority, or b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989).*

If it is necessary to distinguish between applicants within any of the above categories, places will be allocated first to those applicants who have a sibling who will be attending the Academy at the proposed date of admission of the applicant. After siblings, the remaining places will be allocated to those whose home addresses are closest to the Academy, as measured by straight line distance from the main entrance of the Academy to the main entrance to the child's normal place of residence. If it is necessary to distinguish between two applicants with a sibling connection, this will be done on the basis of closeness to the Academy as determined by straight line distance as described above. Where the last remaining place is to be allocated and two or more children are deemed to live at the same distance from the school the place will be decided by the drawing of lots.

(b) Criteria for Year 7 Admissions

After the admission of students with Statements of Special Educational Needs where St Matthew Academy is named on the statement, the remaining places will be allocated in the following order:

- i) Pupils transferring from Year 6 of St Matthew Academy
- ii) Catholic looked after children* and children looked after by Catholic families;
- iii) Baptised Catholic children;
- iv) Other looked after children*;
- v) Baptised Eastern Orthodox children;
- vi) Children of other Christian denominations whose applications are supported by a Minister of Religion;
- vii) Children of other faiths whose applications are supported by a Religious Leader of a designated place of worship;
- viii) Other applicants.

**'A looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is a) in the care of a local authority, or b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989).*

(c) If it is necessary to distinguish between applicants within any of the above categories, places will be allocated first to those applicants who have a sibling who will be attending the Academy at the proposed date of admission of the applicant. After siblings, the remaining places will be allocated to those whose home addresses are closest to the Academy, as measured by straight line distance from

the main entrance of the Academy to the main entrance to the child's normal place of residence. If it is necessary to distinguish between two applicants with a sibling connection, this will be done on the basis of closeness to the Academy as determined by straight line distance as described above. Where the last remaining place is to be allocated and two or more children are deemed to live at the same distance from the school the place will be decided by the drawing of lots.

(d) For the purposes of the criteria set out in sections 6(a) and 6(b) the following definitions will apply:

- i) 'A looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is a) in the care of a local authority, or b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989). Children in public care (Looked After Children) are children who are (a) in the care of a local a
- ii) Baptised Catholic children are those children with a baptismal certificate or evidence of reception into the Catholic Church.
- iii) Eastern Orthodox children are those with a certificate of baptism from an Eastern Orthodox parish.
- iv) A sibling is a person who has the same natural father or mother or legal guardian as a student on the roll of the Academy at the time of admission and who shares permanent domicile with that parent/legal guardian and that student.

7 Operation of waiting lists

a) Subject to any provisions regarding waiting lists in the LA's co-ordinated admission scheme, the Academy will operate a waiting list. Where in any year St Matthew Academy receives more applications for places than there are places available, a waiting list will operate until 3 months after the normal annual admission date. This will be maintained by St Matthew Academy and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application. This does not guarantee that a place will become available.

b) Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out in paragraphs 6(a) & 6(b). Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

8 Arrangements for appeals panels

Parents whose applications for places are unsuccessful may appeal to an Independent Appeal Panel set up in accordance with section 85(3) of the School Standards and Framework Act 1998. Appeals must be made in writing and must set out the reasons on which the appeal is made. Appeals should be made to the Admissions Appeal Clerk at the school address. Parents/Carers have the right to make oral representations to the Appeal Panel.

Infant classes are restricted by the legislation to 30 children. Parents should be aware that an appeal against refusal of a place in an infant class may only succeed if it can be demonstrated that: -

- a) the admission of additional children would not breach the infant class size limit; or

b) the admission arrangements did not comply with admissions law or had not been correctly and impartially applied and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; or

c) the panel decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

9 Arrangements for admitting pupils to other year groups, including to replace any pupils who have left St Matthew Academy

Subject to any provisions in the LA's co-ordinated admission arrangements relating to applications submitted for years other than the normal year of entry, the Academy will consider all such applications and if the year group applied for has a place available, admit the child. Applications made in year (casual applications) must be made using the common application form of the LA where the child resides. The Academy's supplementary form must also be completed and returned to the school to enable the school to rank the application in the event of there being more than one application for a place. If more applications are received than there are places available, the oversubscription criteria shall apply. The offer of a place at the school will be made by the LA on behalf of the school. Parents whose application is turned down are entitled to appeal and will be offered the opportunity of placing their child's name on the waiting list for 3 months.

10 Pupils with a Statement of Special Educational Needs or Education, Health and Care (EHC) Plan

The admission of pupils with a Statement of Special Educational Needs or with an EHC Plan are dealt with by a completely separate procedure. The procedure is integral to the making and maintaining of statements and EHC plans by the pupil's home local authority. Details of this separate procedure are set out in the SEND code of practice. Pupils with a statement or EHC plan naming the school will be admitted without reference to the above criteria.

11 Admission of children outside of their normal age group

Parents who are seeking a place for their child outside of their normal age group, e.g. the child has experienced problems such as ill health or the parents of a summer born child choosing not to send that child to school until the September following their fifth birthday, may request that they are admitted out of their normal age group – to Reception rather than Year 1.

Governors will make decisions on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group, and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They will also take into account the views of the academy's Headteacher. When informing a parent of the decision which year group the child should be admitted to, the governors will set out clearly the reasons for their decision.

Where the governors agree to a parent's request for their child to be admitted out of their normal age group and, as a consequence of that decision, the child will be admitted to the age group to which pupils are normally admitted to the school the local authority will process the application as part of the main admissions round, (unless the parental request is made too late for this to be possible) and on the basis of the determined admission arrangements, including the application of oversubscription criteria where applicable. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

12 Arrangements for admission of pupils as St Matthew Academy builds to its full capacity

- a) St Matthew Academy opened on 1 September 2007 with a Published Admission Number relating solely to pupils in Reception Year and Year 7. Pupils in subsequent Years have been transferred automatically from the predecessor schools, Our Lady of Lourdes Primary School and St Joseph's Academy, which closed on 31 August 2007.
- b) Admission to Year groups without a Published Admission Number will be based upon the size of teaching groups already existing in St Matthew Academy and the efficient use of resources.

There will be a right of appeal to the Independent Appeal Panel
