

Let your light shine

19 September 2011

Dear Parent/Carer

Year 5 'How to Win a Grand Prix' Mathematics Club – Thursday 3:30pm-4:30pm

This term we are offering students an opportunity to develop their mathematical skills after school in a Fun Maths club. Children will practise mathematical skills around the theme of 'How to Win a Grand Prix'. This theme will run for the duration of the Autumn Term. We would like to invite your son/daughter to attend these sessions.

If you would like your child to attend the Maths Club, please complete and return the slip below. I will confirm if your child has a place in the club and the date when it will be starting when all the slips are in.

Please note that your child must be collected promptly at 4:30pm. Children not collected on time will be sent to the After School Club and there will be a charge.

Thank you in advance for supporting your child's continued progress in Mathematics.

Yours sincerely

W Fairweather
