Dear Parents and carers,

Re: Class of 2021 – Year Book

As part of our plans to mark the end of our Year 6 cohort's Primary education journey, we will be producing a year book which will be a collection of photos, comments and memories for the children to keep as a memento of their time in the Primary phase.

We are currently hard at work in the Year 6 team putting together the photos and sections of the book and it is sure to be a cherished souvenir for all of the children. In order to make this a truly worthwhile takeaway, we have decided to have the book professionally put together and printed by an external company. We have decided to use the same company as the one that produced last year's book as we were extremely impressed with the quality of the final book.

The cost per child of a copy of the year book is £9.50 and this cost can be paid via ParentPay as of today. **The cut-off date for receiving payment is Friday 25th June. We will not be able to accept payments after this date.** We would like to request that you complete the attached slip and return it to your child's class teacher to indicate that you would like to purchase a year book so that we can ensure that we order the correct amount.

We really hope that lots of people will support this opportunity so that we can truly celebrate the success of our Year 6 cohort.

Yours faithfully,
