### 1. Admission Arrangements

The admission arrangements for St Matthew Academy for the year 2025/2026 and, subject to any changes approved by the Secretary of State, for subsequent years are:

- a) St Matthew Academy has an agreed admission number **of 30 pupils** for Year R (Reception) and **180 pupils** in Year 7.

### 2. Process of Application Reception and Year 7

Applications are coordinated through the applicant's home local authority and parents/carers must complete the Common Application Form (CAF) issued by the local authority. In addition to the Common Application Form all parents will be requested to complete a supplementary information form to provide information not captured on the LA's application form that relates to the religious criteria for admission. The supplementary information form must be returned to the Academy by the closing date for admissions. St Matthew Academy will use the following timetable for applications each year (exact dates within the months may vary from year to year) which will be consistent with the common timetable agreed by the Lewisham LA. If the supplementary information form is not completed, the Governing Body of the Academy will only be able to consider the application after all applicants who have completed a supplementary form.

The Academy supplementary form can be found on the St Matthew Academy website, collected from the main reception at the Academy or there is a link on the Lewisham admissions section the Lewisham website.

Parents can make a request to the Academy should they wish to defer the date that their child is admitted to the Academy until later in the Academy year or until the child reaches compulsory Academy age in that Academy year; parents may also request that their child attends part-time until the child reaches compulsory Academy age.

#### **6. Consideration of Applications**

St Matthew Academy will consider all applications for places. Where fewer applications than the agreed admission number are received, St Matthew Academy will offer places to all those who have applied.

#### **7. Oversubscription Criteria**

Where the number of applications for admission is greater than the published admissions number, applications will be considered against the oversubscription criteria and order set out below. After the admission of pupils with an Educational Health and Care Plan where St Matthew Academy is named on the plan, places will be allocated in the order in which they are set out below:

##### **a) Criteria for Reception and Year 7**

1. Catholic looked after children. Looked after Catholic children and all previously looked after Catholic children who have been adopted or who have become the subject of a child arrangement order or special guardianship order. Catholic children who appear (to the admissions authority) to have been in state care outside of England and cease to be in state care outside of England as a result of being adopted.
2. Baptised Catholic children. A baptismal certificate or evidence of reception into the Catholic Church must be provided.

3. Looked after children and all previously looked after children who have been adopted or who have become the subject of a child arrangement order or special guardianship order. **b) Oversubscription Tie Break**

When the Academy is oversubscribed with applicants, the following order of priorities will be applied:

- i) Serious medical grounds supported by a consultant's letter at the time of application, considered at the discretion of the Governing Body. This supporting evidence should set out the particular reasons why this college is the most suitable and the difficulties that would be caused if the child had to attend another school.
- ii) Proximity to the Academy.

**8. Arrangements for admitting pupils to other year groups (In-Year applications), including to replace any pupils who have left St Matthew Academy**

Subject to any provisions in the LA's coordinated admission arrangements relating to applications submitted for years other than the normal year of entry, the Academy will consider all such applications and if the year group applied for has a place available, admit the child. Applications made in year (casual applications) must be made using the common application form of the LA where the child resides.

If more applications are received than there are places available, the oversubscription criteria shall apply. The offer of a place at the Academy will be made by the LA on behalf of the Academy. Parents whose application is turned down are entitled to appeal and will be offered the opportunity of placing their child's name on the Register of interest for 3 months

## Guidance Notes to Support the Policy.

### 1. Definitions

**A Sibling** is a person who has the same natural father or mother or legal guardian as a pupil on the roll of the Academy at the time of admission and who shares permanent address with that parent/legal guardian and that pupil.

**Proximity** if the offer of places to all the applicants in any of the categories listed above would still lead to over-subscription, we will offer places up to the admission number to those living nearest the Academy. The distance will be measured in a straight line from the main Academy main entrance. Where the last remaining place is to be allocated and two or more children are deemed to live at the same distance from the school the place will be decided by the drawing of lots. Evidence of residence may be required. In the event of parents who share parental responsibility, evidence of the child's permanent addresses will be required.

### 2. Operation of Register of Interests

a) Subject to any provisions regarding waiting lists in the LA's coordinated admission scheme, the Academy will operate a register of interest. Where in any year St Matthew Academy receives more applications for places than there are places available, a Register of interest will operate until 3 months after the normal annual admission date. This will be maintained by St Matthew Academy and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application. This does not guarantee that a place will become available.

b) Children's position on the Register of interest will be determined solely in accordance with the oversubscription criteria set out in paragraphs 7(a) & 7(b). Where places become vacant they will be allocated to children on the Register of interest in accordance with the oversubscription criteria

### 3. Arrangements for Appeals Panels

Parents whose applications for places are unsuccessful may appeal to an Independent Appeal Panel set up in accordance with section 85(3) of the School Standards and Framework Act 1998. Appeals must be made in writing and must set out the reasons on which the appeal is made.

Appeals should be made to the Admissions Appeal Clerk at the Academy address. Parents/Carers have the right to make oral representations to the appeal panel.

**Reception, Year 1 and 2 (KS1)** are restricted by the legislation to 30 children. Parents should be aware that an appeal against refusal of a place in an infant class may only succeed if it can be demonstrated that: -

- a) The admission of additional children would not breach the infant class size limit; or
- b) The admission arrangements did not comply with admissions law or had not been correctly and impartially applied and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; or
- c) The panel decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.
- d) The Academy participates in the local authority's Fair Access Protocol to allocate places to vulnerable and other children in accordance with the School Admission Code 2014. Admitting pupils under the protocol may require the Academy to admit above the planned admission number for the relevant year group.

#### **4. Pupils with an Education, Health and Care Plan (EHCP)**

The admission of pupils with an EHC Plan is dealt with by a completely separate procedure. The procedure is integral to the making and maintaining of statements and EHC plans by the pupil's home local authority. Details of this separate procedure are set out in the SEND code of practice. Pupils with a statement or EHC plan naming the Academy will be admitted without reference to the above criteria.

##### **Admission of children below compulsory school age**

The governors will provide for the admission of all children in the September following their fourth birthday. Parents can request that the date their child is admitted to the school is deferred until later in the school year or until the child reaches compulsory school age in that school year; parents may also request that their child attends part-time until the child reaches compulsory school age.

##### **Admission of children outside their normal age group**

Parents who are seeking a place for their child outside of their normal age group, eg, the child has experienced problems such as ill health or the parents of a summer born child preferring not to send their child to school until the September following their fifth birthday, may request that they are admitted out of their normal age group that is to reception rather than year 1.

Governors will make decisions on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group, and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They will also take into account the views of the school's head teacher. When informing a parent of the decision which year group the child should be admitted to, the governors will set out clearly the reasons for their decision.

Where the governors agree to a parent's request for their child to be admitted out of their normal age group and, as a consequence of that decision, the child will be admitted to the age group to which pupils are normally admitted to the school the local authority will process the application as part of the main admissions round, (unless the parental request is made too late for this to be possible) and on the basis of the determined admission arrangements, including the application of oversubscription criteria where applicable. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school, but it is not in their preferred age group.
