Dear Parents and Carers

I hope this letter finds you well, I am writing to inform you of a change to the year 7 team.

It is with deep regret that I must inform you that Ms Agorioge will be leaving the Academy at the end of this academic term. We would like to express our gratitude for Ms Agorioge's dedicated service and commitment to our pupils during her tenure as Director of Learning.

As of January, I will be taking on the role of Director of Learning on an interim basis. I am very familiar with this year group and I have the expertise of previously being a Director of Learning for five years with a passion for pupil development. I am confident that I can continue to foster a positive and supportive environment for our year 7 pupils.

At St Matthew Academy we understand the importance of continuity and stability, and I assure you that we are committed to a smooth transition. If you have any questions or concerns regarding this change, please feel free to email me via jec@stmatthewacademy.co.uk or speak to me during Year 7 Form Tutor Evening on Thursday 14th December.

Thank you for your understanding and ongoing support as we work together to provide the best possible educational experience for your child.

Finally please see below a short message from Ms Agorioge:

"It has been a pleasure being your child's Director of Learning for the term. Their transition to the St Matthew Academy community has been seamless and it has been amazing watching them build new friendships and become more independent. Although I will no longer be with them physically on their learning journey, my hope for them is that they become the best version of themselves. Good luck to them all in their future endeavours and I hope to hear great things about them in the coming years."

Yours faithfully

Mr J Charlery
Associate Assistant Headteacher
