Introduction

Special consideration is given to a candidate who has temporarily experienced illness, injury or some other event outside of their control at the time of the assessment. It is applied when the issue or event has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment. (SC 1)

Special consideration can only go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in their assessments. It cannot remove the difficulty faced by the candidate. This means that there will be some situations where candidates should not be entered for a qualification or a unitised assessment/examination. This is because only minor adjustments can be made to the mark awarded. To make larger adjustments would jeopardize the standard of the qualification. (SC 1)

Purpose of the policy

The purpose of this policy is to identify roles and responsibilities within the special consideration process and confirms Not Applicable will submit an application for special consideration where a candidate meets the published criteria. (GR 5.9)

Eligibility for special consideration

- Candidates will be eligible for special consideration if they have been fully prepared and have covered the whole course but performance in the examination, or in the production of coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control (SC 2.1)
- Special consideration must be applied for at the time of the assessment (SC 2)
- Candidates will not be eligible for special consideration if preparation for, or performance in the examination is affected by the reasons detailed in the JCQ publication **A guide to the special consideration process** (SC 2.3)

Roles and Responsibilities

The role of the head of centre

- Be familiar with, refers to and directs relevant centre staff to the annually updated JCQ publication **A guide to the special consideration process**
- Ensure where a candidate meets the published criteria, an application for special consideration will be submitted to the relevant awarding body by the exams officer

The role of the exams officer

- Refer to the criteria detailed in the JCQ publication **A guide to the special consideration process** to determine where a candidate is/is not eligible for special consideration
- Where a candidate meets the published criteria, submit an application for special consideration to the relevant awarding body

The role of the senior leader

- Produce signed evidence to support all applications for special consideration (SC 6)

The role of other staff

- Provide any appropriate evidence or information that may be required to determine a candidate's eligibility for special consideration

The role of an affected candidate (or parent/carer)

- Provide any medical or other evidence that may be required to confirm eligibility for special consideration

Applying for special consideration

At St Matthew Academy, where a candidate is eligible, special consideration will be applied for at the time of the assessment in accordance with the regulations as detailed in the JCQ publication **A guide to the special consideration process**.

Candidates who are present for the assessment but disadvantaged

For candidates who are present for the assessment but disadvantaged St Matthew Academy must be satisfied that there has been a material detrimental effect on candidate examination performance or in the production of coursework or non-examination assessment.

Examples where a candidate/candidates may be eligible for special consideration include:

- A candidate arrives for the examination and is clearly unwell, extremely distressed and/or may have sustained an injury that requires emergency access arrangements to be put in place:
 - the candidate is kept under centre supervision (from 30 minutes after the published starting time for that examination until they begin it) while appropriate arrangements are put in place for the candidate to take the examination (ICE 7.4)
 - special consideration is applied if this indisposition has had, or is reasonably likely to have had, a material effect on the candidate's ability to demonstrate his or her normal level of attainment in the examination
- Application for an allowance on the last paper taken in a day when a candidate has been entered for three or more examinations timetabled for the same day and the total duration of those papers is more than 5 hours 30 minutes (GCSE, Level 1 and Level 2 exams) including any approved extra time but not any time taken for supervised rest breaks, special consideration for an allowance on the last paper taken will be applied for
- Serious disturbance during the examination e.g. an emergency evacuation, an online application for special consideration will be submitted to the relevant awarding body where candidates have been disadvantaged
- Candidates' ability to focus and perform to the best of their ability is impaired by family or social circumstances outside school
- A candidate is affected by a temporary illness, or exacerbation of an existing illness, at the time of the exam
- Candidates will not be eligible for special consideration if preparation for, or performance in the examination is affected by a minor disturbance in the examination room caused by another candidate, such as momentary bad behaviour or a mobile phone ringing

Candidates who are absent from a timetabled component/unit for acceptable reasons

If a candidate is absent for acceptable reasons, and St Matthew Academy is prepared to support this, special consideration will be applied for if the examination missed is in the terminal series and the minimum requirements for enhanced grading in cases of acceptable absence can be met. (SC 4)

For unitised examinations taken in an examination series prior to certification, candidates must be re-entered for any missed units at the next assessment opportunity. Unless there are difficulties arising, e.g. group performances which cannot be repeated, special consideration will not be awarded. (SC 4)

Other issues

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored in **A guide to the special consideration process** and applied for where eligible. This may include, for example:

- Other certification (SC 5)
- Coursework/non-examination assessment extensions (SC 5)
- Shortfall in work (coursework/non-examination assessment) (SC 5)
- Lost or damaged work (non-examination assessment components) (SC 5)
- Candidates taking an incorrect or defective question paper (SC 5)
- Candidates undertaking the wrong controlled assessment or non-examination assessment assignment (SC 5)

Additional issues

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, St Matthew Academy will follow **A guide to special consideration** (section 7) and awarding body guidance to determine if, when and how an adjustment can be applied for.

- If a claim is made after the completion of a review of results, the claimant will be informed that an application for special consideration cannot be submitted.
