Dear Parents, Guardians, Pupils, and Staff,

As we reach the end of our first term together, I want to take a moment to reflect on the incredible journey we have embarked on. It has been a time of learning, growth, and connection, and I am grateful to each of you for your contributions to our school community.

From the very beginning, I have been impressed by the enthusiasm and dedication of our pupils. Their curiosity and passion for learning inspire us all. I have also seen the commitment of our staff, who work tirelessly to create a supportive and engaging environment for our children. Your hard work and creativity have not gone unnoticed.

As we move into the next term, I encourage our pupils to continue to embrace challenges and seek out opportunities for growth. Let us maintain the momentum we have built, showing courage to challenge ourselves as we continue to support one another in our learning journeys.

There have been so many highlights since September, from sporting successes, school trips and the feast of St Matthew. However, the feedback we have received from our visitors this half term has been phenomenal, this reflects the positivity we have fostered across the Academy since our return this academic year.

I also want to express my gratitude to our parents and guardians for your ongoing support. Your involvement is crucial to our success, and I look forward to strengthening our partnership in the coming months.

I hope you all have a fantastic and restful half term.

God Bless.

Yours Faithfully

Mr J Potter
