Dear Parents and Carers,

Please find attached the revision timetable for your child beginning on **Monday 14th May**.

All pupils will receive a paper copy today and be taken through the many opportunities offered to fully support them through this intense exam period.

You will notice that the exams are condensed into 4 core weeks with few exams taking place during week 5.

This is unusual as formal exams are usually more spread, this will increase the need for every pupil to be highly organised and ensure they spend time getting familiar with the dates of each exam and build in time for revision at home.

Please spend the time highlighting when key exams are with your child and ensure they have a quiet space for study with access to a healthy diet, reduced access to social media and screens whilst also receiving a lot of encouragement and support during this stressful period.

I am sure that, like us, you want only the best for your child and will fully support them and us during this time by encouraging them to attend every revision session planned.

Below you will see the timetable for intervention and revision during the next half term break.

Time	Tuesday 29/5	Wednesday 30/5	Thursday 31/5
9-11:45am	Maths	English	History /Art
12:15-3pm	Spanish	Geography History	Art

I would like to thank you in advance for your support in the final push to fully support your child to reach their full potential in the exams.

If you have any queries please do not hesitate to contact Miss Cefai in the first instance or myself.

Yours faithfully

Emma Thurston
Deputy Headteacher
