

Every week we come together to celebrate our children's achievements. The individual awards are: STAR OF THE WEEK where children have worked really hard on one of our learning characteristics: **Persistence, Aspiration, Collaboration, Independence and Versatility**, GOLDEN TABLE WINNERS who have displayed excellent manners in school and WONDERFUL WRITERS for those who have produced an excellent piece of writing. We also celebrate joint awards, where children work together as a class or house. These are, class attendance, class punctuality and best house attendance.
