

## SMA Remote Learning Timetable

Please see below the timetable for your child. You will notice that we have reduced the time spent in lessons each day and simplified the timetable to make it easier to access. We recognise that not every family will have the same access to computers, calm workspaces or parental support therefore this is a plan for the week, if it is not possible to complete the work set at these times then that is okay! Class teachers will be available and ready via Google Classroom to respond to your child's queries at the times below. Core subjects, English, Maths, and Science- will set a deadline for work to be uploaded and marked once a week. All other subjects will set a deadline every 2 weeks. Each day will begin with a short reflection and prayer to prepare our hearts and minds for the day ahead led by our Chaplaincy team. This will be sent via email by your child's Director of Learning.

We would encourage physical activity each day, Mr Saunders has been leading a daily session on our twitter feed and the PE department, see the message from Mr Goksel below. Reading every day is a vital tool to extending vocabulary and supporting achievement in every subject area. If your child has finished the book sent home we suggest they join the virtual book club, a link was sent by tutors via email on Monday.

### Year 7&8

Day	9:55-10:00	P1: 10.00 - 11:00	P2: 11:00 - 12:00	P3: 1:00 - 2:00	P4: 2:00 – 3:00
